Dear Mayor Crider,

It is my pleasure to inform you that the Arkansas Department of Parks, Heritage, and Tourism's Outdoor Recreation Grants Advisory Committee has recommended that the City of Swifton be awarded \$75,000 in FUN Park Grant funds, based on application materials submitted for FY 2022.

The funds will be used to replace outdated play structures and pea gravel fall zone material with barrier-free equipment and fall zone material with border to include benches and barrier-free access improvements.

The Department of Parks, Heritage, and Tourism will contact you in the near future to explain the procedure to receive the award. Best wishes for your project.

Sincerely,
